

COOKIE POLICY

Cookie is a file that is downloaded to your computer when accessing certain websites. Cookies allow a website to, among other things, store and retrieve information about a user's browsing habits or their equipment and, depending on the information they contain and how they use their equipment, they can be used to recognize the user. The user's browser stores cookies on the hard disk only during the current session, taking up minimal memory space and not damaging the computer. Cookies do not contain any specific personal information, and most of them are deleted from the hard disk at the end of the browser session (so-called session cookies).

Most browsers accept cookies as standard and, regardless of them, allow or prevent temporary or stored cookies in security settings.

The Web Portal of the City of Valencia will not link in cookies the data stored with your personal data provided at the time of registration of any comment or contribution.

What types of cookies does this website use?

– Technical cookies: These are those that allow the user to navigate through a website, platform or application and to use the different options or services that exist in it, such as controlling traffic and data communication, identify the session, access restricted access parts, remember the elements that make up an order, make the purchase process of an order, make the application for registration or participation in an event, use security elements during navigation, Store content for broadcasting videos or sound or share content via social networks

– Personalization cookies: These are those that allow the user to access the service with some general characteristics predefined according to a number of criteria in the user's terminal such as language, the type of browser through which you access the service, the locale from which you access the service, etc.

– Analysis cookies: They are those that are well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the use made by users of the service offered. To do this, we analyze your browsing on our website in order to improve your user experience and the services we offer.

– Third party cookies: The Web Portal of the City of Valencia may use third party services that collect information for statistical purposes, the use of the portal by the user and for the provision of other services related to the activity of the portal and other Internet services.

In particular, this website uses Google Analytics, a web analytics service provided by Google, Inc. Headquartered in the United States with headquarters at 1600 Amphitheatre Parkway, Mountain View, California 94043. For the provision of these services, they use cookies that collect information, including the user's IP address, which will be transmitted, processed and stored by Google under the terms set out in the Google.com website. Including the possible transmission of such information to third parties for reasons of legal requirement or when such third parties process the information on behalf of Google

The User expressly accepts, by the use of this portal, the treatment of the information collected in the form and for the purposes mentioned above. And it also acknowledges the possibility to refuse the processing of such data or information by rejecting the use of Cookies by selecting the appropriate settings for this purpose in your browser. While this option of blocking Cookies in your browser may not allow you the full use of all the functionalities of the portal.

You can allow, block or delete cookies installed on your computer by configuring the browser options installed on your computer:

- [Chrome](#)
- [Explorer](#)
- [Firefox](#)
- [Safari](#)
